

## Ottawa-Gatineau Choirs and Choruses

This list will assist singers in finding musical opportunities in the Ottawa-Gatineau area. It can also be used to find concert information from choirs of interest.

Before joining or auditioning for a choir, it is best to view the choir's website and attend at least once concert. Some choirs allow potential members to participate in a couple rehearsals, but please check with the director or choir representative beforehand.

Some choirs indicated that sight reading is not required, but it is always an asset to have some sight reading ability. If you are a beginner singer, you may feel more comfortable joining your local church choir as they are almost always looking for choristers and are forgiving in terms of sight reading ability.
